Fill up at the pump

During October, when you get gas at your local participating Chevron or Texaco station, fill up with 8 gallons or more to help support local public schools.

Support local schools

Chevron will donate \$1 per 8 or more gallon fill-up at participating Chevron and Texaco stations, up to over \$5 million through the Fuel Your School program during the month of October, to help fund eligible classroom projects posted on DonorsChoose.org in 16 U.S. communities.
